GROUP TRAINING PROGRAMS

Hoist Roc It

This fast paced class will introduce you to the benefits of the Hoist Roc It strength equipment as well as push your cardio capabilities and challenge you in active rest stations. This class is a great way for you to get the most out of your workout, no matter what your fitness level is.

She's FIT! Speed Zone Circuit

30
MINUTE
CIRCUIT

This class will challenge cardiovascular, muscular strength and endurance. Each 45 second station is taught using a variety of equipment that focuses on cardiovascular training, muscle conditions and abdominal work. Suitable for all fitness levels as you work at your own pace moving between strength/endurance exercises.

Stretch & Core

This class combines a workout with abdominal exercises and is designed to improve your core strength, enhance posture and develop better overall body control. Complete this workout with core stability focus.

Interval Training

A dynamic and fun class that incorporates various drills on cardiovascular equipment. It is an excellent physical workout for fat burning and cardio conditioning.

Synrgy 360

This is an innovative fitness system integrating cardiovascular and strength training for the most efficient and effective workout. In a 45 minute session, participants of any fitness level can take advantage of our instructor led class. Stations incorporated in the Synrgy 360 system include cables, TRX training systems, and battle ropes. Provided with technique and motivation, each user will get a great full body workout!
