

Dear Club16 and She's FIT Members,

**All membership payments are on an immediate freeze for the duration of this temporary closure, there is nothing you need to do. For all prepaid members or members whose payments fell close to the temporary closure date, a credit will be applied to your account upon re-opening.**

This is an unprecedented time we are all facing as COVID-19 continues to challenge us in unfamiliar ways. To support Public Health recommendations, we will be temporarily closing all Club16 and She's FIT locations beginning Thursday, December 23<sup>rd</sup>. We will re-open our doors on **Tuesday, January 18<sup>th</sup>**.

We appreciate the continued support and understanding from all our members in the Club16 and She's FIT community. We are in this together and we will continue to make the health, safety and protection of our members our priority.

It is our mission to encourage an active, healthy lifestyle- we are passionate about supporting you along your fitness journey, and although this a difficult time for us all, your Club16 and She's FIT Teams will continue to be here for you.

Stay safe and stay active.

Sincerely,  
Your Club16 and She's FIT Team
